Expressions

- What time is it?
- See you later!
- What's wrong with that?

1 Listen and read.

Joe What time is it?
Mark It's a quarter to six.
Joe Oh! I have dinner at six. See you later!
Ellie Look, that black car's in front of Joe's house again.
Mark What's wrong with that?
Ellie Mark. Those men come every day.
Mark And they've got sunglasses.
Ellie Maybe they're spies.
Mark Maybe they're Mr Murray's friends. They visit him every day.
Ellie He doesn't speak to them.
Mark We can ask Joe tomorrow.
Ellie We can't. Joe doesn't talk about his dad.
Mark Mr Murray doesn't go out. Has he got a job?
Ellie I think he works at home ... in his secret room.
Mark Maybe *he's* a spy.
