B I guess so. I hope I ²*went / brought / came* across well – there were a number of people I could ³*like / relate / take* to.

A How was the 'Big Boss'?

B He was OK. When I first got there, he ⁴*asked / discussed / bombarded* me with questions about our current project. Overall, I think I did quite well, actually. Mind you, my thoughts on the manager nearly ⁵*left / brought / slipped* out.

A I hope you ⁶*held / got / saw* yourself back.

B Of course I did. Some of the discussions ⁷*took / showed / brought* out the worst in some of the participants. One man ⁸*said / went / told* on and on about the budget. It was as if he was the only one affected. Anyway, the whole thing was fine. It was a great day and I learned lots.
