

NAME:

Read and write the words.

In our town, the school is in Blue Street in front of the train station. In Blue Street there are lots of shops. There is a book shop, a toy shop and a shoe shop. The toy shop is between the book shop and the shoe shop. There is a park behind the shops. And there is a swimming pool behind the park. Next to the swimming pool, there is a playground.

Read and listen to the text many times!!!
