Mathematics worksheet

➤ Can you sort the doubles and near doubles?

For each number, write a double and a double plus one problem.

	Doubles	Near doubles
4	$\square + \square = \square$	$\square + \square = \square$
9	$\square + \square = \square$	$\square + \square = \square$
5	$\square + \square = \square$	$\square + \square = \square$
2	$\square + \square = \square$	$\square + \square = \square$

Complete the near doubles path to reach the finish line....
