A sales agent from Bright Communications is presenting their latest product at a conference. Some of the guests are asking questions about it.

Agent

Good morning, everyone! It is my honor to be here and present to you our _____ product, the X-plora phone. Dare I say, it is a revolutionary device, _____ than anything you've seen so far!

James

What is the difference between the previous model, and this one?

Agent

This version is two times _____ than the last model we produced.

James

And what can you tell us about the specifications of this phone?

Agent

The X-plora phone features a 41-megapixel camera. This particular model is also waterproof and its battery life will be _____ compared with _____ brands and models.

Dialogue Practice:

PRESENTING OUR LATEST PRODUCT

 Hannah	Can you give us some details about this? What supports your statement about the battery life?
 Agent	The phone is equipped with a battery protector and battery _____, and it also comes with a solar charger.
 Hannah	I admit that's _____ extraordinary! Do you believe it will sell as well as the last model?
 Agent	Absolutely!
 Hannah	How much will it cost?
 Agent	This model is priced at 500 US dollars. _____, we are giving a 50-dollar discount to the first twenty buyers. Thank you, everyone!
