## 1. Before listening, fill in the blanks with the correct past forms of the verbs.

I \_\_\_\_\_ (have) a dream the other night

About how we only get one life

It \_\_\_\_\_ (wake) me up right after two

I \_\_\_\_\_ (stay) awake and \_\_\_\_\_ (stare) at you

So I wouldn't lose my mind

And I \_\_\_\_\_ (have) the week that came from hell

And yes I know that you \_\_\_\_\_ (can) tell

But you're like the net under the ledge

When I go flying off the edge

You go flying off as well

And if you only die once I *wanna* die with

You got something I need

In this world full of people there's one killing me

And if we only die once, (hey)

I *wanna* die with you (you, you, you)

You got something I need

In this world full of people there's one killing me

And if we only die once, (hey)

I *wanna* die with you (you, you)

Last night I think I \_\_\_\_\_ (drink) too much, yeah

Call it our temporary crutch, hey

With broken words I've tried to say

Honey don't you be afraid

If we \_\_\_\_\_ (get) nothing we \_\_\_\_\_ (get) us

And if you only die once I *wanna* die with

You got something I need

In this world full of people there's one killing me

And if we only die once, (hey)

I *wanna* die with you (you, you, you)

You got something I need

In this world full of people there's one killing me

And if we only die once, (hey)

I *wanna* die with you (you, you, you)

I know that we're not the same

But I'm so glad that we \_\_\_\_\_ (make) it

To this time, this time, now (yeah)

You got something I need

Yeah in this world full of people there's one killing me

And if we only die once I *wanna* die with you

You \_\_\_\_\_ (get) something I need

In this world full of people there's one killing me

And if we only die once, (hey)

I *wanna* die with you (you, you, you)

You got something I need

In this world full of people there's one killing me

And if we only die once, (hey)

I *wanna* die with you (you, you, you)
