

improbable romance	at once
swept up into the eye	enlarge upon or add detail to (a story or statement)
mealstorm	to cause someone to feel captivated
usurp	a relationship that is unlikely to be true or happen
humiliated	a powerful whirlpool into the sea
instantaneously	take a position of power illegally or by force
amplify	a barrier formed from upright wooden posts
stockade	make someone feel ashamed

.....to others is nothing new. But online, technologically enhanced shaming is amplified, uncontained and permanently accessible. The echo of used to extend only as far as your family, village, school or..... But now, it's the online community too. Millions of people, often....., can stab you with their words, and that's a lot of pain. And there are no perimeters around how many people can publicly observe you and put you in a public . There is a very personal price to public humiliation, and the growth of the internet hasthat price.
