At the Seaside

I love to walk beside the sea.
I love to feel the wind against my skin.
I love the smell of fish and crabs.
I love to feel the sand between my toes.
I love to taste the salt in the air.
I love to feel the sun against my face.
I love to hear the waves crashing on the beach.
I love to feel the sea against my skin when I swim.
I love to hear people splashing in the water.
I love to see people playing games on the beach.
I love to touch the sand and make castles on the beach.
I love the taste and feel of ice-cream on my tongue.
I love the sights and smells at the fairground.
I always love my holidays at the seaside.
