Caitlin,
 You have a lot of schoolwork but you relax by watching TV. You asked me some questions and here are my answers.
 At the weekend, I also usually see my friends at the weekend and sometimes go to visit my grandparents. Cartoons. They are really funny. Do you like cartoons? What are your favourite cartoons? I would like to appear in a film like X-Men or Star Wars. Have you seen them? They are my favourites and I really like them.
 Those are my answers.
 Kisses,
 Stepan Nikolaevich Kuznetsov
