Answer: _____

6. Why do you think the prince and the poor boy switched places?

Answer: _____

II. Click True or False according to the statement written.

True False. 1. The prince becomes the king.

True False. 2. The poor boy begged for money on the streets.

True False. 3. The king died while the prince was away.

True False. 4. The poor boy becomes the king instead of the prince.

III. Arrange the story (1 being the first and 5 being the last) according to how it was narrated or told. Write the number on the box.

The prince met a knight that believed that he was the real prince and helped him go back to his castle.

The prince and the poor boy switched places and went out of the palace.

Thinking that the prince was the poor boy, he was seen by the poor boy's father and dragged him home.

To prove his identity, he pulled out his seal and he was crowned king.

The prince made it back to the kingdom and told the people that he was the real prince but the people did not believe it.
