## Practice Questions

Name: \_\_\_\_\_ Grade: \_\_\_\_\_

### Listening Section Directions

The Listening section of the TOEFL iBT test measures your ability to understand conversations and lectures in English.

In an actual test, the Listening section is divided into two or three separately timed parts. In each part, you will listen to one conversation and one or two lectures. You will hear each conversation and lecture only one time.

After each conversation or lecture, you will answer some questions about it. Answer the questions based on what is stated or implied by the speakers.

In an actual test, a clock that is provided shows you how much time remains. The clock does **not** count down while you are listening. The clock counts down only while you are answering questions.

For this practice test, a useful guideline is to spend no more than 35 seconds to answer a question. You may take notes while you listen. You may use your notes to help you answer the questions. Your notes will not be scored.

In some questions, you will see this icon:  This means that you will hear, but not see part of the question.

Some of the questions have special directions. These directions will appear in a gray box on the screen.

Most questions are worth one point. If a question is worth more than one point, it will have special directions that indicate how many points you can receive.

You must answer each question. After you answer, select **Next**. Then select **OK** to confirm your answer and go on to the next question. After you select **OK**, you cannot return to previous questions.

You can select Review at any time, and the review screen will show you which questions you have answered correctly or incorrectly and which you have not answered. From this review screen, you can go directly to any question you have already seen in the Listening section.

This document may contain some question types that would not appear on a test that has been adapted for various accessibility purposes. On test day, you will receive an accessible assessment that is consistent with any accommodations for which you have been approved.
