She has got a lot of problems withsuitors (**old/horrible**). Every day she sews flowers on a cover (**red/beautiful**). She pulls out the thread every night. Some people say you have died. They say yourboat (**dangerous/wooden**) has sunk to the bottom of the sea. I don't believe it. I know that your sailors will look after you. We are all waiting for you to come home. Even yourdog (**black/friendly**), Argos, misses you.
