### 1. Watch the first part of the video (to 1.30) and complete the sentences.

Most children start primary school at the age of 5. Then, at 11 they go to \_\_\_\_\_ . All children stay at the secondary school to the age of 16 and at 16 in England they take \_\_\_\_\_ examinations that is the General \_\_\_\_\_ of \_\_\_\_\_ Education. After these exams about \_\_\_\_\_ per cent of students leave school. The others usually study \_\_\_\_\_ subjects for two more years and then take A-levels or \_\_\_\_\_ level examinations. About 20 per cent of 18-year-olds go to \_\_\_\_\_. They usually leave home and go to university in a different town or city. Another 20 per cent go on to other kinds of \_\_\_\_\_ and training.
