

LISTENING

You will hear five short extracts in which British teenagers are talking about why they like a particular school subject best. For question 1-5, choose from the list (A-H) the reason each speaker gives. Use the letters only once. There are three extra letters which you do not need to use.

- A** I can talk to my parents about it.
- B** I can sit with my friends in class.
- C** I find it easy.
- D** I don't have to do much homework for it.
- E** I like the textbook.
- F** I think it will be useful for me in the future.
- G** I have an excellent teacher.
- H** I enjoy the challenge of it.
