RESILIENT

Complete the song with the following words:

rain to be stars brilliant wind skin right
mistakes room moment winter night
resilient water cracks fire flower now

I know there's gotta be if I want the rainbows
And I know the higher I climb, the harder the blows
Yeah, I've gone to sleep, night after, punching a pillow
But do you know the darker the night, the brighter the glow

'Cause I am resilient, a full moment
Won't let the concrete hold me back, oh, no
I am resilient, born brilliant
You'll see me grow through the cracks, yeah
'Cause you're gonna watch this flower grow right through the cracks

I've got to shed all this if I want the distance
Let the Sun in, pull out the weeds and focus my vision
'Cause there's no, just bends and breaks and friction
But do you know the hotter the, the purer the gold is?

'Cause I am, a full flower moment
Won't let the concrete hold me back, oh, yeah
I am resilient, born to be
I'm gonna grow right through the cracks, oh

'Cause I died every
But survived all the weather
Look at me, look at me now
I'm in full bloom, yeah
They tried to poison the
But I was a little stronger
Look at me now, look at me now
Light up the, oh, yeah

'Cause I am resilient, a full flower
Won't let the concrete hold me back, oh, yeah
I am resilient, born to be brilliant
I'm gonna grow right through the, oh
You're gonna watch this flower grow right through the cracks
