

ROCKETMAN

Choose a song from the film
and translate the lyrics

I'm still standing
Rocketman
Sorry seems to be the hardest word
Goodbye Yellowbrick road
Don't go breaking my heart
Bennie and the Jets
Don't let the sun go down on me
Thank you for all your love
Take me to the pilot
I want love
Rock and roll Madonna
Crocodile rock
Border song
The bitch is back
Saturday night's alright
Pinball Wizard
Tiny dancer
Your song
Honky Cat
