

ROCKETMAN

Choose a song from the film
and translate the lyrics

I'm still standing

Rocketman

Sorry seems to be the hardest word

Goodbye Yellowbrick road

Don't go breaking my heart

Bennie and the Jets

Don't let the sun go down on me

Thank you for all your love

Take me to the pilot

I want love

Rock and roll Madonna

Crocodile rock

Border song

The bitch is back

Saturday night's alright

Pinball Wizard

Tiny dancer

Your song

Honky Cat
