The weak will find their strength renewed

You just gotta have faith

Mmm, you just gotta have faith

It's  for the shadows, for all your tomorrows

It's knowing He's there through the  and the

It's when you believe it, before you can see it
And you can walk on 'cause He's making a way

Just gotta have some faith, faith

You've gotta have some faith, faith

Searching for purpose in all the waiting

_____ through so many silent hours
Finding a breath when you feel like fading

Learning to _____ where you are right now
You just gotta have faith
