Hello, my name is Mary and I am 8 years old. I go to a private School called Saint Julian's. I am in 3rd grade in Primary level. In our class there are 27 students, 15 girls and 12 boys.

My classroom is big and nice. Our teacher is Miss Rachel and she likes decorating the walls of the class with posters and pictures. In our class there is one big blackboard and three computers.

Yesterday, we learnt a new topic in the school, the classroom language, the words which are important when we are in the classroom.

The teacher showed us pictures with the new words and we repeat after her, then we practice in groups the actions and after that we made some activities with the worksheets she gave us.

It was a fun day learning something new, now we have to use all these new words in every lesson with Miss Rachel.
