

NAME: _____

SAVE THE ANIMALS!

Hello! We are worried about our dogs and cats. We need ideas to help them!

How could we help them?

Carolina. We _____ build a shelter for them.

Carlos. We _____ raise money to buy food.

Daniela. We _____ ask for help to the authorities.

Isabel. We _____ volunteer to work in the shelter.

Luis. We _____ do many things, but first we need money!

Thank you all for your suggestions. I agree with Luis and Carlos. We need the money to help our animals. So we are going to do the following:

1. We _____ raise money.
2. We _____ sell pancakes.
3. Carolina _____ find a place for a shelter.
4. Daniela _____ talk with the authorities.
5. Carolina and Isabel _____ prepare the shelter for the animals.
