

Present continuous tense

Remember the structures and remember that the verb "to be" in present → *am – is – are*

Affirmative → *subject + present verb "to be" + verb –ing + the rest of the sentence*

Example → *I am going shopping now / She is doing her homework at the moment.*

Complete the following sentences using the present continuous tense with the verbs given.

Affirmative sentences

1. I _____ (watch) a film. It's brilliant!
2. He _____ (wash) his car now.
