Fix you

Coldplay

When you _____ your best, but you _____ succeed,
When you _____ what you want, but not what you _____,
When you _____ so tired, but you can't _____
Stuck in reverse

And the tears _____ streaming down your face
When you _____ something you can't _____
When you _____ someone, but it _____ to waste
Could it be worse?

Lights will _____ you home
And _____ your bones
And I will _____, to _____ you

And high up above or down below
When you're too in _____ to let it _____
But if you never _____, you'll never know
Just what you're worth.

Lights will _____ you home
And _____ your bones
And I will _____, to _____ you

Tears stream down your face,
When you lose something you cannot replace
Tears stream down your face
And I...

Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face
And I...

Lights will _____ you home
And _____ your bones
And I will _____, to _____ you
