LIBERATING

LEVITATING

STARLIGHT

MOONLIGHT

Been fightin' hard for your love, and I'm runnin' thin on my patience

Needin' someone to hug, even took it back to the basics

You see what you got me out here doin' (yeah)

Might've threw me off, but can't nobody stop the movement (uh huh)

Let's go, left foot, right foot, levitatin' (c'mon)

Pop stars (go), Dua Lipa with DaBaby

I had to lace my shoes for all the blessings I was chasin' (go)

If I ever slip, I fall into a better situation

So catch up, go put some cheese on it, get out and get your bread up (yeah,
yeah)

They always leaving you far, but you run together (hey)

Weight of the world on my shoulders, I kept my head up

Now baby stand up, 'cause girl you

I believe that you're for me, I feel it in our energy

I see it written in the stars

We can go wherever, so let's do it now or never

Baby, nothing's ever, ever too far

Glitter in the sky, glitter in our eyes

Shining just the way we are

I feel like we're forever every time we get together

No, we're never gonna be apart

REPEAT CHORUS

You can fly away with me tonight

You can fly away with me tonight

Baby, let me take you for a ride (let me take you for a ride)

You can fly away with me tonight

You can fly away with me tonight

Baby, let me take you for a ride (I can't stop it, baby)

Let's go

Boy, I'm advanced, got my real tight pants

When I back it up, I put you in a trance (woo)

If you wanna dance, then show me all your bands

'Cause tonight, I might give you a chance (let's get it, skrrt)

Pull up in the coupe

Ooh, that dude, he look hella cute

Yeah, he lookin' at me like, "Ooh"

Suck my breasts like Betty Boop (woo)

Oh, my, my, my (my, my)

Get to stuttering like, "I-I-I" (I-I)

I'm a freak, I like to play shy

But I will get it poppin', anything, I'll try it

Say I'm on his top five list

On a Major Key like Khaled

Don't speak, open up your eyelids

I can be your girl if you keep it private

REPEAT CHORUS
