

Questions often asked during interviews

exercise

Examples of **questions often asked during interviews** about odd jobs, asked by job seekers or employers. Read and say who could ask these questions : the jobseeker? The employer? One question could be asked by both the job seeker and the employer

What will I have to do ?

Have you ever /taken care of / looked after babies/ pets/ a garden ?

Have you ever run errands ?

Have you ever cleaned and washed cars ?

How much will I get / would you pay an hour ?

How much do you / would you charge an/per hour ?

Does that/this sound OK/fair to you ?

How often / When do you want me to come / would you need me ?

How long would you need me for ?

How soon could you come ?

How soon would you need me / When do you need me to start ?

Would you mind starting early in the morning ?
