Anexo 5

La vida sin música es igual que un jardín sin flores. Une cada tonalidad con su correspondiente armadura de bemoles y cuando esté correcto puedes pintar los dibujos.

A matching exercise featuring musical notation and pots. In the center, five pots are stacked vertically, each labeled with a note name and a sharp sign: 'Fa M', 'Do M', 'Mi M', 'Si M', and 'La M'. Surrounding these pots are ten musical staves with various clefs (bass and treble) and key signatures (one or two flats). The goal is to connect each note name to its corresponding key signature.
