

FUTURE TENSES REVISION

Match each way of expressing future on the left with the situation(s) of its use on the right.

- | | |
|-----------------------|--|
| 1. going to | for a definite plan or arrangement for the nearest future (with words like TOMORROW, ON SATURDAY, etc.) |
| 2. Future Simple | for a plan, an intention or a decision |
| 3. Present Continuous | for the speaker's spontaneous reaction at the time of speaking (e.g. offering help)
for a prediction
for a promise |
