There's a group at school who are really popular and cool. They say that if I want to be friends with them, I have to skip school.

A

I feel I need to post more and more, and I only feel happy when I do. But the feeling doesn't last long.

B

I started getting horrible messages from an account I didn't recognize. I'm getting scared to go online.

C

I live with my mum now, but I see my dad at weekends. My life has changed, but I know that both my parents love me and care for me.

D

We just moved to a new area. I don't know anyone at my new school, and there aren't any young people on my street.
