

A large grid of graph paper with 20 columns and 10 rows. The grid is composed of thin gray lines forming a uniform pattern of squares. It is intended for students to draw a picture related to their writing.

Pușe

A horizontal number line with tick marks from 0 to 20. Above the line, there are six circles, each with an arrow pointing down to a specific number on the line. The numbers are 2, 6, 8, 10, 14, and 18.

Ketvirtadalį

A horizontal number line with arrows at both ends, labeled with integers from 0 to 20. There are tick marks for every integer. Above the number line, there are four circles. Arrows point from each circle down to a specific tick mark on the number line. The circles are positioned above the tick marks for 4, 8, 16, and 20.
