

Read the text and fill in the gaps with words from the two lists.

(There have been many reports of 'UFOs' – unidentified flying objects – over the last few years. Many people believe that these UFOs come from other worlds, far away in space. Here is one report from an American newspaper.)

On June 14th, in Carmel, Indiana, a woman a large strange bright light moving around in the sky. The woman, Mrs Dora Gabb, 34, the police to Patrolman Conrad Brown, straight to her house to investigate. he arrived there was nothing to be seen, ten minutes later Mrs Gabb's 14-year-old daughter Leslie into the house screaming. Leslie she and a girlfriend were riding on motor-bicycles in the woods they a large object, bigger than a house' directly in front of them, low in the sky. It a green top, white sides, a reddish purple tail, and lights of purple, green, gold, red and blue. It no sound. The girls' bicycles working, the girls' ' strange'. The spaceship down lower, for some time about 100 feet above the ground, not moving. , with a whistling sound, it at high speed.

Put these verbs in the correct form in purple gaps:

come, come, feel, have, leave,
make, phone, run, see, see,
say, speak, stay, stop

Put these words in orange gaps:

and, and, and, but, that, then,
when, when, who
