

The Narrative Structure

TASK 1

Read the following definitions, use them to complete the narrative structure below:

The sequence of events that happen as a result of the conflict. These usually get more intense over time.	Something happens that creates a problem for the protagonist	The events that happen after the turning point in the story	- Loose ends tied up - A peek at how things have changed	The highest point of tension in the story, i.e, the turning point	Background information needed to "sets the scene" for the rest of the narrative.
---	--	---	---	---	--

TASK 2

Posting questions to stories and curiosity about their construction are key aspects to understand literary texts. Work with the list of elements of fiction and post questions that help you identify what each element addresses:

Questions	Element of fiction
	Exposition

	Conflict
	Rising Action(s)
	Climax
	Falling Action(s)
	Resolution (Denouement)
