

## USED TO - CHRIS DAUGHTRY

Exercise: Listen to the song and put the phrases back to the right place

You \_\_\_\_\_ to me like

used to talk

I was the only one around

You \_\_\_\_\_ on me like

used to walk

The only other choice was falling down

used to have

You \_\_\_\_\_ with me like

We had nowhere we needed to go,

used to breathe

used to lean

Nice and slow, to no place in particular

We \_\_\_\_\_ this figured out

We \_\_\_\_\_ without a doubt

used to be

When nights were clear, you were the first star  
that I'd see

We \_\_\_\_\_ this under control

used to know

We never thought

We \_\_\_\_\_

used to reach

At least there's you, and at least there's me

used to have

Can we get this back?

Can we get this back to how it \_\_\_\_\_?

I \_\_\_\_\_ for you when

I got lost along the way

I \_\_\_\_\_

You always had just the right thing to say

used to follow

I \_\_\_\_\_ you

Never really cared where we would go,

Fast or slow, to anywhere at all

used to listen
