## LYRICS:

Beauty queen of only eighteen  
She had some trouble with herself  
He was always there to help her  
She always belonged to someone else

I drove for miles and miles  
And wound up at your door  
I've had you so many times, but somehow  
I want more

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay a while  
And she will be loved  
And she will be loved

Tap on my window, knock on my door  
I want to make you feel beautiful  
I know I tend to get so insecure  
It doesn't matter anymore

It's not always rainbows and butterflies  
It's compromise that moves us along, yeah  
My heart is full and my door's always open  
You can come anytime you want

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay a while  
And she will be loved  
And she will be loved  
And she will be loved  
And she will be loved

I know where you hide  
Alone in your car  
Know all of the things that make you who  
you are  
I know that goodbye means nothing at all  
Comes back and begs me to catch her  
every time she falls

Tap on my window, knock on my door  
I want to make you feel beautiful

I don't mind spending every day  
Out on your corner in the pouring rain, oh  
Look for the girl with the broken smile  
Ask her if she wants to stay a while  
And she will be loved  
And she will be loved  
And she will be loved  
And she will be loved

Please, don't try so hard to say goodbye  
Please, don't try so hard to say goodbye

Please, don't try so hard to say goodbye
