

PERSONAL STRENGTHS

MEET JERRY!

Jerry is a very kind kid that has lots of friends at school. His classmates say that he is very **funny** and loves to make jokes, but at the same time he is very **respectful** and makes sure that his jokes won't hurt anyone's feelings. Jerry is very **empathic**!

Somedays, Jerry wants to play hide-and-seek during recess while his friends want to play other games that he doesn't like that much. Jerry **struggles making agreements** with his friends.

At school, Jerry usually **tries his best** and **loves to learn new things**, but sometimes he has **trouble following instructions** or **forgets to pay attention** and ends up lost in the lesson.

At home, Jerry has a puppy called Rocky. Jerry is very **caring** and **responsible** with Rocky most of the time, but sometimes he is a little **forgetful** and feeding Rocky slips his mind!

Jerry knows that there are things he needs to work on with his friends, at school and at home, but he knows he is very **determined** and will **make his best effort** to improve a little more each day.
