Gravitas Plus: Selling your country for cash

When Donald Trump said he wanted to buy Greenland, he wasn't kidding. Countries have bought, sold, and leased many a time in the past. Can such deals be struck in today's time? Can your country be sold for cash or gold? Palki Sharma has the answer on Gravitas Plus.

Explain in our own words what you understand of the concept of buying a country for gold and how did President Donald Trump do it?
