Join a team! I'm on the school soccer team. It's great, and playing sports is a great way to have fun and make new friends.

Bookman

Some people don't have hobbies, and that's OK. It sounds strange, but I like being on my own, and watching TV, or reading. I rarely go out, and I hate being in groups. I have fun by myself.

PaulaM

Do you like dancing? I'm learning to dance at the moment, and I'm having a lot of fun. The only problem is that I study and go to ballet lessons all week, even on Saturdays!. So, on Sunday, I always stay in bed until 11 o'clock!

Lizzie123

What's wrong with homework? I love homework! It's great exercise for the brain. I always ask my teachers for more!

Funnygirl

Do you play an instrument? I do – the piano! It's a good way to relax and it always makes me smile.

LIamJones

Go shopping! I like spending time in stores, looking at all the new designer clothes. There's only one problem. I don't have a lot of money ...

Marcus

I really enjoy cooking. It helps me to relax. I enjoy collecting cookbooks and recipes, and I always make something when I get home from school. I'm baking a cake at the moment.
