

Billie's daily life

Billie Eilish is an American singer. She is nineteen years old.

Every day, she gets up at seven o'clock. Then, she takes a shower and has breakfast with her family. She usually has cereal and orange juice for breakfast. She works in the music studio at nine o'clock.

She has lunch in the studio at one o'clock with her friends. She always talks with her secretary about her agenda for next day.

During her free time, she writes songs and rides her bike.

In the evening, she sometimes goes to parties with her friends. She has dinner at nine thirty.

She goes to bed at eleven o'clock.
