

Find the missing number to make 20

$$20 + \square = 20$$

$$15 + \square = 20$$

$$12 + \square = 20$$

$$16 + \square = 20$$

$$19 + \square = 20$$

$$14 + \square = 20$$

$$\square + 5 = 20$$

$$\square + 4 = 20$$

$$\square + 1 = 20$$

$$\square + 10 = 20$$

$$\square + 6 = 20$$

$$\square + 3 = 20$$
