

## Problems and Solutions

**Directions:** Drag each problem on the left to the correct solution on the right.

| Problems                                            | Solutions                    |
|-----------------------------------------------------|------------------------------|
| Your clothes dryer is broken.                       | Buy lunch at the cafeteria.  |
| You forgot to pack a lunch.                         | Ask them to please be quiet. |
| The soup is cold.                                   | Plug it in.                  |
| A classmate won't stop talking during the lesson.   | Wipe it up.                  |
| The battery for your phone is at 12%.               | Hang dry your clothes.       |
| You spilled a soda on the floor.                    | Make a snack.                |
| After lunch, you are still hungry.                  | Pay half of it.              |
| You don't have enough money to pay your phone bill. | Put it in the microwave.     |
