

LIFE IN THE FUTURE !

1. **Match** the pictures with the correct words

Solar-powered planes

Floating underwater houses

Flying houses

Self-driving cars

Food pills

Domestic robots

Flying skateboards

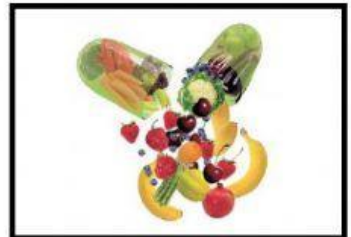

Algae-based food

Smart houses

3D-printed food

Implanted smartphones

Virtual holidays

2. **Copy** the words from question n°1 in the correct box

FOOD

-
-
-

TRANSPORTS

-
-
-

HOUSES

-
-
-

TECHNOLOGY

-
-
-

3. **Look** at the example and **write** one sentence for each picture

→ In the future we will eat 3D-printed food

→

→

→

→

→

4. **Observe** the example and **match** each expression with its correct meaning

"Self-driving cars will be **as useful as** our cars but they will be **less dangerous** ; they will be **faster** and **more comfortable than** our cars"

... **less** dangerous **than** ...

« plus ... que »

... faster **than** ...

« moins ... que »

... **as** useful **as** ...

« plus ... que »

... **more** comfortable **than** ...

« aussi ... que »

5. **Watch** the video to revise the comparative form

<https://www.youtube.com/watch?v=KZUD9y4wIJU>

6. **Drag and drop** the boxes to build complete sentences that compare present and future technologies

than Solar-powered planes be our planes
polluting less will

→

than nourishing (=nourissant) our food be
more Food pills will

→

our phones

Implanted smartphones

addictive

will

as

as

be

→

We

greener (=ici, écologique)

will

smarter

live in

and

houses

→

7. **Choose one object/technology of the future (cf question 1) and write a short text to compare it with its present equivalent** (Choisis un objet/ technologie du futur et compare le à son équivalent présent dans un texte court)

- Ecris 4 phrases au minimum
- Utilise différents type de comparatifs
- Réfléchis bien à l'adjectif que tu vas utiliser (court ou long ?). Regarde à nouveau la vidéo si besoin !
- Poste tes phrases sur le Padlet
- Poste une photo pour illustrer tes phrases si tu veux

Adjectifs possibles (mais pas obligatoires !)

polluting ≠ green

fast ≠ slow

stimulating ≠ depressing (=déprimant)

expensive (=cher) ≠ cheap (= bon marché)

tasty (= savoureux)

big ≠ small

efficient (=efficace)

healthy (=sain)

luxurious

tiring (=fatigant) / tired (=fatigué)
