

Fill in the blank with cm if you would measure with centimeters or m if you would measure with meters.

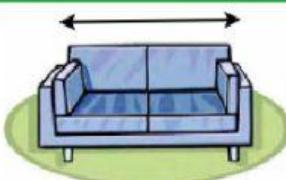

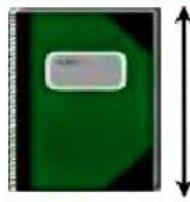

Centimeter and Meter

1. Measure short length using **centimeters**.
2. Measure distances and longer lengths using **meters**.

A meter is the same as 100 centimeters.

Choose the correct unit to measure each object below.

Object	Choose the unit	
	<i>Meters</i>	<i>Centimeters</i>
	<i>Meters</i>	<i>Centimeters</i>
	<i>Meters</i>	<i>Centimeters</i>
	<i>Meters</i>	<i>Centimeters</i>
	<i>Meters</i>	<i>Centimeters</i>
