3. Listen to the audio and organize the following text in chronological order.

This holiday (Chinese New Year) is celebrated during approximately 15 days after the start of (Chinese New Year); people are excited to see dances and colorful costumes in festivals everywhere in China. The seventh day of Chinese New Year is called Yan Yat, "everybody's birthday".

The last day of the celebration is called Chinese lantern festival. There are many delightful ancient superstitions surrounding this holiday. People buy fascinating presents, decorations materials, food, and clothing. It is also a tradition that every family thoroughly cleans the house to sweep away any ill fortune in hope of making way for good incoming luck.

An interesting and amazing celebration in China is Chinese New Year. It is very old celebration and it is considered a time for repaying debts, enjoying feasts, giving "red envelopes" of lucky money to friends and relatives, and remembering ancestors.
