

Florence the Machine – **Shake it out**

Regrets collect like old friends

Here to relive your darkest _____

I can _____ no way, I can _____ no way

And all of the ghouls come out to play

And every demon wants his pound of flesh

But I like to keep some things to _____

I like to keep my issues strong

It's always _____ before the dawn

And I've been a fool and I've been blind

I can never leave the past behind

I can _____ no way, I can _____ no way

I'm always dragging that horse around

Our love is pastured such a mournful sound

Tonight I'm gonna bury that horse in the ground

So I like to keep my issues strong

But it's always _____ before the dawn

Shake it out, shake it out

Shake it out, shake it out, ooh whoa

Shake it out, shake it out

Shake it out, shake it out, ooh whoa

And it's hard to dance with a devil on your back

So shake him off, oh whoa

'Cause I am done with my graceless _____

So tonight I'm gonna cut it out and then _____

'Cause I like to keep my issues strong

It's always _____ before the dawn

Shake it out, shake it out

Shake it out, shake it out, ooh whoa

Shake it out, shake it out

Shake it out, shake it out, ooh whoa

And it's hard to dance with a devil on your back

So shake him off, oh whoa

I tried to _____ with the devil on your back

And given half the _____ would I take

any of it back

It's a final mess but it's left me so empty

It's always _____ before the dawn

And I'm damned if I do and I'm damned if I don't

So here's to drinks

in the dark at the end of my road

And I'm ready to _____ and I'm ready to hope

It's a shot in the dark and right at my throat

'Cause looking for heaven, found the devil in me

Looking for heaven, for the devil in me

Well what the hell I'm gonna let it happen to me
