

Levitating – Dua Lipa

[Verse 1]

If you wanna run away with me, I know a _____
And I can take you for a ride
I had a premonition that we fell into a rhythm
Where the _____ don't stop for life
Glitter in the sky, glitter in my eyes
Shining just the way I like
If you're feeling like you need a little bit of _____
You met me at the _____ time

[Pre-Chorus]

You _____ me, I want you, baby
My sugarboo, _____
The Milky Way, we're renegading
Yeah, yeah, yeah, yeah, yeah

[Chorus]

I got you, _____, you're my starlight
I need you all night, come on, dance with me
I'm levitating
You, moonlight, you're my _____ (You're the moonlight)
I need you all _____, come on, dance with me
I'm levitating

[Verse 2]

I believe that you're for me, I feel it in our energy
I see us _____ in the stars
We can go wherever, so let's do it now or never
Baby, nothing's ever, ever too far
_____ in the sky, glitter in our eyes
Shining just the way we are
I feel like we're _____ every time we get together
But whatever, let's get lost on _____

Use the words from the box to complete the song.
