

Daniela is a special girl. She is 11 years old. She is a nice, hard-working and beautiful girl.

She has got many friends because she is nice.

Last week, She was doing her homework on Friday, but this week is different...

By pandemic she is staying at home. She is bored and sad.

She wants to meet with her friends.

Will she go to school next week? Will it be all ok?

1. How old is Daniela?
2. Is she a lazy girl?
3. What was she doing last Friday?
4. Does she like stay at home?
5. Will she go at school next week?
