

Reading Comprehension Activity

Angela's Routine

Hi, my name is Angela and I live in London. I go to a secondary school. I like our school, it's modern and big. It is near our house so I walk to school. The school starts at eight o'clock and finishes at half past three. My favourite subject is Spanish. We have Spanish every Monday. I'm very good at it. I don't like Physical Education (PE) and History.

I don't have much free time. On Tuesdays I go swimming and every Wednesday and Friday I play tennis. I also play the piano. I have a piano lesson on Saturday morning.

I don't have any brothers or sisters, but I have a cousin. Her name is Alicia. She also lives in London, but she doesn't do to the same school. I meet her on Sundays in the park.
