

Let's dance, 1983
DAVID BOWIE

Let's dance

Put on your red

And dance the

Let's dance

To the song they're playin'
on the radio

Let's

While color lights up your
face

Let's sway

Sway through the

to an empty
space

If you say run, I'll run with you
If you say hide, we'll
Because my love for you
Would break my in two
If you should fall into my arms
And tremble like a flower

Let's dance

Let's dance

Let's dance for fear your grace should

Let's dance for tonight is all

Let's sway

You could look into my

Let's sway under the

This serious moonlight
