- The father is younger than the child.
- The father is worried about his son's abilities.
- The events occurred in a jungle.
- The child hates being different.
- The father and son finally understand each other.

2. What sentence describe them better:

Child

Father

Environment

People in the park

3. Match the sentences

The child feels unhappy

The father feels

People in the park are

The house of the boy

The end of the story is

Playing and happy.

Happy for both of them.

Is dark and big.

Because of his dad's behave.

Frustrated at the beginning.

4. Drag the answer to its corresponding question

Because he is sad for his dad's opinion.

Because his son is not like the other children.

No, they don't.

Because he tried to understand his son.

Why the father is angry at his son?

Why child is crying in the video?

Do they live with the mother?

Why the father changes at the end?

5. Do you agree or disagree and why?

Parents should love and support their children just the way they are.

being different is the only thing we all have in common.
