

The Sheriff's ride

The Sheriff left for Sherwood Forest alone. He entered the dark forest and saw no one for a long time.

Robin said, take off all your clothes. Get on your horse and return to Nottingham naked!

The outlaws took the Sheriff to Robin Hood. Robin Hood looked at the Sheriff with disgust.

He reached Nottingham, the people saw him naked. They pointed at him and laughed loudly.

A group of outlaws jumped down from the treetops. The Sheriff was terrified.

The Sheriff of Nottingham was very angry because his men were afraid of Robin Hood.
