

## THE ONE THAT GOT AWAY

By Katy Perry

Listen and match columns A and B

| A                                  | B                         |
|------------------------------------|---------------------------|
| Summer after high school           | 18 <sup>th</sup> birthday |
| We'd make out in your Mustang      | When we first met         |
| And on my                          | To Radiohead              |
| We got                             | Matching tattoos          |
| Used to steal your parents' liquor | That one day              |
| Talk about our future              | And climb to the roof     |
| Never planned                      | Like we had a clue        |
| I'd be                             | Losing you                |

Complete the blanks according to what you hear

|        |                                                         |
|--------|---------------------------------------------------------|
| CHORUS | In another life, I would _____ your girl                |
|        | We'd _____ all our promises, be us against the world    |
|        | In another life, I would _____ you stay                 |
|        | So I don't have to _____ you were the one that got away |

| A                            | B                       |
|------------------------------|-------------------------|
| I was June and you were      | We made a pact          |
| Never one without the other, | My Johnny Cash          |
| Sometimes when I miss you    | I put those records on  |
| Someone said you had your    | I'm no longer your muse |
| Saw you downtown             | Singing the blues       |
| It's time to face the music  | Tattoo removed          |

REPEAT CHORUS

The one  
The one  
The one  
The one that got away

Put the lines in order according to what you hear

|        |                                                           |
|--------|-----------------------------------------------------------|
| BRIDGE | [     ] I should have told you what you meant to me, whoa |
|        | [     ] All this money can't buy me a time machine, no    |
|        | [     ] 'Cause now I pay the price                        |
|        | [     ] Can't replace you with a million rings, no        |

REPEAT CHORUS

The one (the one) x3

In another life, I would \_\_\_\_\_ you stay  
So I don't have to \_\_\_\_\_ you were the one that got away  
The one that got away

FOLLOW-UP ACTIVITY - WOULD FOR PAST X POSSIBILITIES

Look at the lyrics and decide: which facts happened in the past and which are imagined as possibilities by the songwriter?

| Past events | Possible, imagined events    |
|-------------|------------------------------|
|             | <i>She would be his girl</i> |
