Instructions: Listen, read and answer the following questions:

Hello! My name is Camille. I study at "Happiness School", in California. I love my school! My favorite subject is English. I also like Maths and Social Studies. I don't like Science. I have Science classes on Tuesday, but they are difficult for me.

On Wednesdays, I have P.E classes! I like P.E because we play with the balls, and my teacher is so nice!

On Thursday, I have Art. I don't like Art classes. I don't like colouring or drawing.
